# A MESSAGE FROM OUR CEO

**All praise is due to our Lord the Almighty, our Creator and Sustainer and abundant salutations upon our beloved prophet Muhammad (May our Almighty send peace and blessings upon him).**

It is with immense gratitude and humility that I extend my heartfelt greetings to each member of our esteemed community. As the trustee and Chair of Dedza Welfare Trust, it is my honour to present to you our latest endeavour, aimed at furthering our commitment of serving humanity with compassion and dedication.

It is solely through the grace of our Almighty, your eternal prayers and support that Dedza Welfare Trust (DWT) has been working for 15 years mainly in Malawi and assisting globally in emergencies. Malawi remains one of the poorest countries in the world.

Last year, three of the DWT Trustees visited Malawi to oversee our projects on the ground. The pictures in the booklet will show their commitment and efforts to serve the needy.

The Charity continues to maintain its commitment to the policy of 100% donation. The donor deserves to know where all their hard earned-money and generosity is being spent. I can assure everyone that the funds are being utilised accordingly.

Our focus in Malawi is to support the poor and the needy and enhance Islamic teachings. We have also expanded initiatives including education and sustainable projects.

I am also humbled by the support we have received from other organisations and charity partners both locally and overseas.

I pray that our Almighty allows us to continue serving his deen through this most-effective means of Charity which attracts the mercy of our Almighty, extinguishes his wrath and ultimately becomes a means of our salvation in the hereafter.

I thank our Almighty who has made all this possible and also thank the donors, partners, supporters and volunteers of DWT.

May our Almighty accept your donations, ease the suffering of the Ummah and humankind and guide the world towards peace and security through the blessing of Islam.

**Once again Jazakallah Khayr.  
With warm regards,**

**Mussa Saleh  
(Chair and Trustee  
of Dedza Welfare Trust).**
